Wolfie's Corner

We are very excited about our new lobby in progress!! The drop off/pick up station will have more room for everyone to walk around in. We can't wait for the construction workers to get here!

If you have plastic bags, don't throw them out! We'd love to have them! Recycle, reuse!

We've started a new activity for our friends at daycare! Paw print painting! Some are easier to do than others, but each one is unique just like each dog!

Dog of the Month

Meet our friend Davy! You might not know it but he's a cane corso! Davy's favorite activity is

the tree rope and barking at Kevin. He's a sweet, loving, stubborn boy and is easy to cuddle with.

Staff Corner

Our friend Macy is going off to college. Although she will be missed, we're excited to see her go off into the world and wish her luck!

We've hired a new weekend employee Rachel aka Fawkes E Lady. She plays roller derby for the Salina Sirens. She's also helping with the newsletter (so make sure you tell Peggy how great this newsletter is!) Rachel has 2 dogs at the moment, a german shepard/blue healer fetch obsessed Lilly and a crazy over active hound Kylo. When Kylo is old enough she can finally bring him to daycare to burn off some of that crazy energy!
